Dear SMS member

Please find attached to this e-mail four important documents. They are:

1. Information about the new Website
2. An important message from our new librarian (Lindsay Devine) about music for next term
3. The proposed concert programmes for 2017-2019
4. Information about the Come-and sing x 2 pages

Our Come and Sing, *Haydn's Creation*, is on September 2nd. Please can you do your very best to publicise this and if you haven't already got your tickets you can reserve them by e-mailing Sue Blyth – information on the flyer attached.

As our new Website becomes more functional you will find that more and more information will be posted there rather than printed out and given to you. We hope you are pleased about that – the planet certainly will be better for it.

Best wishes,  
Jane
