

Salisbury Musical Society Website

How do I log in?

Some SMS content is only available to members and/or patrons. As a member, it is most likely that you will become aware of this if you click an item on a menu which requires you to log in

If you are a patron, or you know you want to access the secure website content, you can equally click on the Login button

In either scenario you will then be presented with the Login Screen

A screenshot of the Salisbury Musical Society login screen. The screen has a white background with a dark blue header. Below the header, there is a text box with instructions: 'To access secure member and patron specific content, please enter your username, or the email address you provided to SMS, and your SMS password. If you don't remember your password, click the "Forgot your password?" link below and follow the instructions. If you need more help using this area of the website, click the "Getting Started" link below for more detailed instructions. SMS Website Getting Started Guide'. Below the text, there are two input fields: 'Username or E-mail' and 'Password'. There is a checkbox labeled 'Keep me signed in' which is checked. Below the input fields is a blue 'Login' button. At the bottom, there is a link for 'Forgot your password?'.

Please enter the username you have been given (or your email address) and your SMS password. You have the option to tick the "Keep me signed in" box, which will mean you are not automatically logged out when you close the website, but consider data security before checking this box. You will always have the option to logout of the website, and tick/untick this option when you next login.

What if I can't remember my password?

If you've forgotten your password, simply click the "Forgot your password?" link on the login screen

Reset my password

If you have entered the right credentials, you will quickly receive an email which looks something like this:-

Click the black "Reset your password" button and you will be presented with the following:-

The screenshot shows a 'Password Reset' form. At the top, the title 'Password Reset' is underlined. Below it, there are two input fields: 'New Password' and 'Confirm Password', both with asterisks indicating they are required. A blue button labeled 'Change my password' is positioned below the second input field.

Enter a new password which you can remember. Please note that all passwords must be at least 8 characters long, and contain upper and lower case letters and at least 1 number. Retype to confirm the password and click “Change my password”.

If all goes well, you will be presented with this screen, and can enter your SMS username or email address together with your newly created password.

The screenshot shows a 'Login' form. At the top, the title 'Login' is underlined. A green success message box at the top reads 'You have successfully changed your password.' with a close button. Below this, there are two input fields: 'Username or E-mail' (with a person icon) and 'Password' (with a lock icon), both with asterisks. A checkbox labeled 'Keep me signed in' is checked. A blue button labeled 'Login' is below the input fields. At the bottom, there is a link that says 'Forgot your password?'.
